DETAILED ACTION

This Office Action is in response to the amendment filed 18 December 2006.

Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-11 are allowable because prior art does not disclose alone or in combination along with the limitations of the independent claims such as a second gate electrode in trench capacitively coupled to the floating gate and the second region.

Claims 12-20 are allowable because prior art does not disclose alone or in combination along with the limitations of the independent claims such as forming a first gate electrode in the trench and insulated from the first region and capacitively coupled to the floating gate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
